

**GOLD FROM AUSTRALIA.**—Accounts from New South Wales to the 18th August had been received in London, giving the most flattering accounts both as to the quantity and quality of the gold round about Bathurst. Sydney was said to be almost deserted. The receipts per week into the towns were said to reach £20,000 to £25,000. The Government armed escort brought £10,000.

The steamer *Seymour* arrived at Southampton the 13th, with the mails from Australia and New Zealand to the 18th August. She brought two packages of gold valued at £1,800, and fifteen packages of diamonds valued at £28,000.

The Sydney News states that gold is most plentiful in Frederick Valley, and that the gold-diggers are making rich harvests. Lumps of gold, from 12 to 14 pounds in weight, had been found. The Express states that two men in Frederick Valley produced £250 worth of gold in two days. The gold is found in large quartz veins, and an immense quantity has arrived at Bathurst. A mail is to run daily between Sydney and Bathurst.

**RESOLUTIONS.**—That one good Railway with all the necessary fixtures, from Port Huron to Grand Haven, would be of greater utility and benefit to all concerned, than any system of Plank Roads on the same route.

H. PENNYER, Secy. E. EVERETT, Treas.

The question of last week's Lyceum, was decided in favor of supporting the Fugitive Slave Law.

C. B. ALBEE

HAS again returned from the City with the largest and

**Best selected Stock of Goods,** ever brought into this market; comprising nearly every style and grade to be found in the city. Among them are some entirely new styles of Dress Goods—very rich and handsome; all of which have been purchased at the very lowest cash price and will be sold accordingly. My motto is *the first sale, the best sale*, and *will sell lower than any other store in town*. My reasons are obvious, when the *sixpence* is made, it has not got to be divided *two or three times* among my partners, (as I have none) therefore I mean what I say, and especially invite all to an examination of my goods and prices before purchasing elsewhere, and I will prove the above statements correct.
